Find the Holy Spirit in the Everyday  
 With Author, Pastor Jared Wilson's New Book

***Supernatural Power for Everyday People***  
*Experiencing God's Extraordinary Spirit in Your Ordinary Life*

Nashville, TN (August 31, 2017) – For Christian's struggling with purpose, vision, boredom and powerlessness, life can sometimes seem hopeless. But after two decades in ministry and writing more than a dozen book, author Jared Wilson believes that there is something else—someone else—that people have come to ignore: the Holy Spirit. In his new book, *Supernatural Power for Everyday People: Experiencing God's Extraordinary Spirit in Your Ordinary Life* (January 23, 2017; ISBN 9780718097509; \$16.99) Wilson explores the supernatural power of God in the commonplace hustle and bustle of humanity.

“The daily life of a follower of Jesus is filled with more moments of boredom, confusion, and weariness than we prefer or even like to admit,” says Wilson. “I’m firmly convinced that too many Christians spend most of their lives trying to carry out their everyday routines in their own strength. It’s important for Christians to realize that we’ve been granted, in the gospel, access to the very power of God in our lives, in every second, of every day.”

Using down to earth, transparent writing, Wilson proves that the Holy Spirit is alive in every aspect of life, no matter how mundane or minute. Biblical evidence and real-life stories of people simply living their daily lives prove that God is present and at work in every moment—while cooking dinner, driving to work, putting the kids to bed, reading a book, finishing a marathon, texting a friend...everything!

“God is not holding out, waiting for us to prove ourselves before he blesses us with his presence,” says Wilson. “I want to help the average Christian understand the Person of the Holy Spirit and to help them see their entire life as empowered by the Holy Spirit. This will ultimately result in a greater awareness of the Spirit’s working in their daily routine.”
