## RVR/NKJV BILINGUAL BIBLE

### BIBLIA BILINGÜE RVR/NKJV

The Reina Valera Revisada presents the basic text of the Casiodoro de Reina translation in a more accessible way. This revision preserves the beauty and cadence of the Castilian Spanish, but also updates all archaisms, terms, and grammatical variations either old or not in current use, in favor of a greater clarity of language.

The New King James Version commissioned in 1975 by Thomas Nelson Publishers, 130 respected Bible scholars, church leaders, and lay Christians worked for seven years to create a completely new, modern translation of Scripture, yet one that would retain the purity and stylistic beauty of the original King James.

La Reina Valera Revisada presenta el texto básico de la traducción de Casiodoro de Reina en una forma más accesible. Pero también actualiza todos los arcaísmos, términos y variaciones gramaticales, ya sea antiguos o que ya no se utilizan, en favor de una mayor claridad del lenguaje.

La New King James Version fue comisionada en 1975 por la Editorial Thomas Nelson. 130 respetados eruditos bíblicos, líderes religiosos y cristianos laicos trabajaron durante siete años para crear una moderna y completamente nueva traducción de las Escrituras, pero que conservaría la pureza y belleza estilística de versión original de King James.

## CONTAGIOUS DISCIPLE MAKING

In *Contagious Disciple Making*, David Watson and Paul Watson map out a simple method that has sparked an explosion of homegrown churches in the United States and around the world. A companion to CityTeam's two previous books, *Miraculous Movements* and *The Father Glorified*, *Contagious Disciple Making* details the method used by CityTeam disciple-makers to equip spiritual leaders in communities where churches are planted. Unlike many evangelism and church-growth products that focus on quick results, disciple-making takes time to cultivate spiritual leadership, resulting in lasting movements. Through *Contagious Disciple Making* readers will come to understand that a strong and equipped leader will continue to grow the church long after church planters move on to the next church.

It is sometimes difficult for today's African-American women to remember how important they are to God. Through the examples of powerful women in the Bible, *She Speaks* helps African-American women find relevance, purpose, and identity in the Word of God.

## SPENT MATCHES: IGNITING THE SIGNAL FIRE FOR THE SPIRITUALLY DISSATISFIED

*Spent Matches* explores the possibility that a few small paradigm shifts within the church might make the difference between extinction and effectiveness. In fact, taking a clue from the automobile industry, the church might be able to not only halt the rapid decay in attendance but also become an effective tool in achieving Jesus' final command. For instance, the Hybrid car has become the answer to Detroit's environmental and oil crisis issues. Finding the synergy between two technologies, gas and electric has created a new day for the auto industry. Likewise, *Spent Matches* explores how the church can find synergy between two seemingly competing thoughts: an invitation to come and a command to go. The Hybrid metaphor brings energy to the church's mission and an explanation to the age-old argument of Missional versus Attractional methods.

Josephus left us the earliest independent accounts of the lives of Jesus, John the Baptist, and James the brother of Jesus. The Bible was written for people to read, ponder, and understand. The message of God's love for humans transcends time, culture, and language. Nevertheless, readers of the Bible are often left with questions. The names sound strange to our ears, the geography is often unfamiliar, and we ask, "Who was this person? Is he mentioned somewhere else in the Bible?" "When did this happen?" "Where did it happen?" "Is this a real city?" *Nelson's Foundational Bible Dictionary* seeks to answer questions like these and many more.
