Please Lord, Keep me sensitive to the spiritual needs of those who need your salvation. Please keep making me wise as a serpent and harmless as a dove Lord. Praise you.

People can get wary of my company if I go off the deep end and only witness from my place, instead of going to where they are, and showing them I care for them individually.

Lord, change me, get rid of any radical tendencies. Help me control my "over-whelming enthusiasm". Make me unselfish, unproud, quiet, and full of humility and gentleness.

Father I Love you. You showed me your gift to me —

— Jesus —

Praise you Lord God - You are truly one - My Soul Blesses Amen your will, your plan & your salvation. †

Last Days Prayer Bulletin

There have been so many wonderful events the past few weeks that we haven't been able to think about really starting our next newsletter. God has brought a true reviving of His Spirit and purpose to our ministry and we really want to thank the Saints who have been faithful to lift us up continually before the Throne of Grace! Since it might be a while until the next issue of our newsletter comes out, we had to get this bulletin off to you so that you can pray specifically . . . (that is if the Holy Spirit has given you the burden to pray for us, of course.) God has had us under a spirit of conviction about many things wrong with our personal lives and our ministry as a whole. He has shown us His wonderful grace by giving us His spirit to help us truly repent of these inconsistencies and hypocrisies. In the next newsletter we will be more specific about the areas God is chastising and disciplining us in.

The main reason for this "Prayer Bulletin" is, we will be going to Oral Roberts University in March from the 19th to the 24th. God has promised us that if we are faithful to obey His direction to pray and seek His face, that He will send a spirit of true revival upon those on campus, and even surrounding Tulsa, Oklahoma! We also ask you, His people, to be faithful and join us in prayer, for without prayer nothing can, or will be accomplished. Everytime in the Church's history when God brought a renewal of obedience and holiness to His people (which is what true revival is), it always started with God's people storming the Throne of Grace through prayer and supplication, interceding for the lukewarmness and carelessness of those professing to be believers. It is our responsibility to pray "without ceasing" for God to send His Holy Spirit to convict the Church to "repent and do the works you did at first!" (Rev. 2:5). If we ever want to see sinners saved from their chains, then we have to seek the Holiness of God, so that the world will be convicted by our love and our zealous fire for our Precious Saviour Jesus.

Please pray! We beg you! Without prayer we're helpless! If you believe that God can do all things then beseech Him to pour out His Spirit on the hearts and minds at O.R.U. and the people of Tulsa. Don't think that your little prayer means almost nothing! That means that you're calling God a liar when he says "Ask and you shall receive, knock and the door shall be opened, seek and you shall find!" (Luke 11:9) Dare to take God at His promises! If we believed that your prayers meant so little, then why would we be taking the time to ask you to pray? We need your prayers, so please ask Jesus to prepare the way for our little team of 20 to 25 people (who will be arriving up to a week before the scheduled start of the meetings). They are arriving early so that they can pray the way through the enemy lines and make way for a move of spirit that can rock the devil's kingdom from coast to coast if we are faithful! (For we know that HE

always is!) I will be doing evening concerts and preaching, and there will be other men of God to pray and minister also, including Winkey Pratney, Toney Solerno, and the Group Candle from Agape Force. Besides the evening meetings, there will be around-the-clock prayer vigils, teachings on prayer, repentance, restitution, and true conversion during the day. And an explicit call for God's people to **repent of their prayerlessness!!!**

We expect the harvest of souls fully-converted to be far too many for us to follow-up on, so Jesus has promised us that if we are faithful in prayer, He will restore the churches who love Him, to full-fire!

Please do not doubt, but pray with the faith that God supplies "for without faith it is impossible to please Him!" (Heb. 11:6) This is such an opportunity! Tulsa, as you know, is right in the middle of what is called "The Bible Belt", and at O.R.U. there are so many church-kids from around the world who could be so used of God to go back to their home towns and preach the gospel! My mind boggles when I think of the possible fruit of a Spirit-filled student body, faculty and city. If we believe, then God will spread this fire throughout the country (and even the world!) "For I say unto you, all things for which you pray and ask, believe that you have received them, and they shall be granted you!" (Mark 11:24) "And this is the confidence which we have before Him, that if we ask anything according to His will, He hears us. And if we know that He hears us in whatever we ask, we know that we have the requests which we have asked from Him. (1 John 5:14,15) AMEN!

WE LOVE YOU!
