THE AMERICAN STATE OF MIND

Abbreviation: *BWV* stands for *Biblical Worldview*

Key: “*Born-again Christian, with BWV*” includes people who believe in absolute moral truth; make their moral choices by following a set of specific principles or standards based on the Bible; trust Christ for their salvation; and reflect a biblical perspective on six key faith issues (salvation, trust in the Bible, personal responsibility to evangelize, Satan’s existence, Jesus’ sinless life, and the nature of God).

“*Born-again Christian, without BWV*” includes people who have made a personal commitment to Jesus Christ that is important in their life and believe they will go to Heaven because they have confessed their sins and accepted Jesus Christ as their Savior, but they do not believe in absolute moral truth, or make their moral choices by following a set of specific principles or standards based on the Bible, or do not possess a biblical stand on the six belief statements regarding salvation, trust in the Bible, personal responsibility to evangelize, Satan’s existence, Jesus’ sinless life, and the nature of God.

“*Not a born-again Christian*” includes all adults who have not made a personal commitment to Jesus Christ that is important in their life and or who do not believe they will go to Heaven solely because they have confessed their sins and accepted Jesus Christ as their Savior.

SURVEY QUESTIONS REGARDING
BIBLICAL WORLDVIEW

WHAT FOLLOWS are survey questions used by Barna Research to gather data regarding people's worldviews. The survey is divided into three different parts, each designed to determine the answer to a specific part of one's worldview.

QUESTIONS DESIGNED TO DETERMINE
WHETHER ONE IS A BORN-AGAIN CHRISTIAN

Have you ever made a personal commitment to Jesus Christ that is still important in your life today?

1. Yes. GO TO NEXT QUESTION
2. No. SKIP NEXT QUESTION
3. Don't know. SKIP NEXT QUESTION

The following statements are about what will happen to you after you die. Please indicate which ONE of these statements best describes your own belief about what will happen to you after you die. Which comes closest to what you believe?

1. When I die I will go to Heaven because I have tried to obey the Ten Commandments.
2. When I die I will go to Heaven because I am basically a good person.
3. When I die I will go to Heaven because I have confessed my sins and

have accepted Jesus Christ as my Savior.

4. When I die I will go to Heaven because God loves all people and will not let them perish.
5. When I die I will not go to Heaven.
6. I do not know what will happen after I die.
7. Other (explain):
8. Don't know.

NOTE: A respondent is categorized as "born again" if they say "yes" to the first question and choose response option 3 above in response to the second question. All other response patterns classify the individual as a non-born-again Christian.

QUESTIONS DESIGNED TO DETERMINE
VIEWS ON ABSOLUTE MORAL TRUTH AND ITS IMPACT
ON PERSONAL DECISIONS

Changing topics for a moment, think about the choices you make every day. People make their decisions in different ways. When you are faced with a moral or ethical choice, which ONE of the following statements best describes how you decide what to do? In other words, which one statement best describes how you usually make your moral or ethical decisions?

1. I do whatever will make the most people happy or create the least conflict.
2. I do whatever I think my family or friends would expect me to do.
3. I follow a set of specific principles or standards I believe in that serve as guidelines for my behavior.
4. I do what I believe most other people would do in that situation.
5. I do whatever feels right or comfortable in that situation.
6. I do whatever will produce the most positive outcome for me personally.

7. Other (explain):
8. Don't know.

**** IF THE ANSWER TO THE FIRST QUESTION ON PAGE 203 WAS "Don't Know," CONTINUE; OTHERWISE SKIP THE NEXT QUESTION. ****

What is the basis or source of those principles and standards that you take into consideration? In other words, where do those standards and principles come from? What would you turn to in order to discover the appropriate principles? IF THEY SAY "God" ASK: Do you mean that you would expect God to speak directly to you or do you mean something else?

1. the law
2. the Bible
3. values taught by your parents
4. Golden Rule
5. God—speaking directly
6. God—other: _____
7. personal feelings
8. lessons learned from past experience
9. Other (explain):
10. Don't know

Some people believe there are moral truths that are absolute, meaning that those moral truths or principles do not change according to the circumstances. Other people believe that moral truth always depends upon the situation, meaning their moral and ethical decisions depend upon the circumstances. How about you? Do you believe there are moral absolutes that are unchanging, or do you believe moral truth is relative to the circumstances? Or is this something you have never really thought about? If so, is that because you have thought about this matter and have

not arrived at a conclusion, or because you have not really thought about this matter? Which statement below best describes your view?

1. Moral truth is absolute.
2. Moral truth is relative to circumstances.
3. Thought about it, have no conclusion.
4. Never thought about it.
5. Don't know.

QUESTIONS DESIGNED TO DETERMINE
