Sea.

Dear Family,

This is quite  
an experience. Fortunately  
I have proved to be a  
good sailor. About  $\frac{3}{4}$ 's  
of the passengers have  
sea sick - but the only  
problem with me is that  
I am too healthy.

We have a good  
crew of young people  
aboard. The majority  
are men and this is  
quite an advantage for  
us young (perniles)  
females. And if you

Mexico City, Oct, 4, 1969

Dear Carolyn,

I'm off to New York for ten days. Sign contract with Commonwealth for film rights of my novel "The Death of Artemio Cruz", ditto for staging of my play by The Washington Players, plus book of literary essays, sundry assignments with magazines, etc. I'll be there from Friday 10, at the Algonquin. If you know of anybody interesting I should see, drop me a line at Brandt & Brandt, 101 Park Avenue, N.Y.C. Also, I'll phone you in any case, and especially if by that time I've had news from Buñuel. I do know he's been having a dreadful time bickering with the Spanish censorship; finally, they've relented and he will be shooting "Tristana" in Toledo, as were his wishes. Since I know the way he plunges into a project to the exclusion of everything and everybody not directly concerned, it will be an act of absolute friendship if he writes. I'm rather sure that, nevertheless, he will. My novella "Birthdays" appears in Mexico at the beginning of November, and that will clear the property rights once and for all.

I do miss you and think about you, more than you can imagine. Sometimes, it puzzles me.

Much, much love *Carlos*
